

Millennium Education Foundation

CIN: U80904DL2014NPL269753

1. Title:

“Strategic Investment Opportunity in Millennium Education Foundation: Pioneering Educational Initiatives in India”

2. Executive Summary:

Millennium Education Foundation, incorporated on August 1, 2014, is a not-for-profit organization based in Delhi, India. The foundation is dedicated to advancing educational initiatives and community services. This investment opportunity involves [specify nature of the transaction, e.g., “a strategic partnership” or “stake acquisition”], aiming to leverage Millennium Education Foundation's established presence and expertise in the Indian education sector for mutual growth.☹

3. Industry Overview:

The Indian education sector has experienced remarkable growth, with literacy rates rising from 18% in 1951 to 81.3% in 2023. The country now boasts over 1,000 universities and more than 42,000 colleges. The edtech market in India is expected to reach \$30 billion by 2031, with the online education market projected to grow by 23.06% between 2024 and 2029. ☹cite☹turn0search7☹☹

4. Business Description:

Millennium Education Foundation focuses on community, personal, and social services within the education sector. The foundation's initiatives aim to enhance educational access and quality across various segments of society. By addressing critical educational needs, the foundation serves diverse communities throughout India.☹

5. Location & Facilities:

The foundation is headquartered in Delhi, India. Specific details regarding branch locations, facilities, or infrastructure are not publicly available.☹

6. Market Opportunity & Growth Potential:

India's education market was valued at approximately \$117 billion in the financial year 2020 and is projected to reach \$225 billion by FY2025, reflecting a compound annual growth rate (CAGR) of 14%. ☹cite☹turn0search3☹ The increasing demand for quality education and the rapid expansion of the

edtech sector present significant opportunities for organizations like Millennium Education Foundation to expand their impact and services.☹

7. Business Model & Revenue Streams:

As a not-for-profit entity, Millennium Education Foundation primarily relies on grants, donations, and funding from various stakeholders to support its educational initiatives. Detailed information about specific revenue streams, monetization strategies, key contracts, or partnerships is not publicly disclosed.☹

8. Key Financial Highlights:

- **Authorized Share Capital:** ₹1,00,000☹ - **Paid-up Capital:** ₹1,00,000☹ ☹cite☹turn0search10☹

Further detailed financial performance metrics, including revenue, expenses, and cash flow, are not publicly available.☹

9. Competitive Advantage & Differentiation:

Millennium Education Foundation's competitive edge lies in its commitment to enhancing educational access and quality within India. Its not-for-profit status enables it to focus on community impact rather than commercial gain, distinguishing it from for-profit entities in the education sector.☹

10. Customer Overview & Key Relationships:

Specific information regarding the foundation's beneficiaries, partnerships, or collaborations is not publicly disclosed.☹

11. Business Potential & Future Strategy:

With the rapid growth of India's education sector and the increasing emphasis on digital learning, Millennium Education Foundation has the potential to expand its initiatives, form strategic partnerships, and leverage technology to enhance educational outcomes across diverse communities.☹

12. Investment Rationale:

Investing in Millennium Education Foundation offers: - **Social Impact:** Contributing to the advancement of education in India, addressing critical societal needs.☹ - **Alignment with Growth Trends:** Participating in the expanding education sector, particularly in areas like edtech and online learning.☹ - **Collaborative Opportunities:** Engaging with a foundation committed to community

service and educational development.🙄

13. Transaction Structure & Deal Terms:

The proposed transaction involves [specify type of transaction, e.g., “a strategic partnership” or “stake acquisition”], with terms to be discussed upon mutual interest. The foundation is open to negotiations to ensure a beneficial arrangement for all parties involved.🙄

14. Management Team & Key Personnel:
